

Town of Midway

Gateway to Davidson County

For Immediate Release: 4/16/2026

“North Davidson Garbage Services takes over garbage and recycling collection”

Beginning May 1, 2026, North Davidson Garbage Services will begin providing curbside collection of garbage and recycling for residents of the Town of Midway. This service, currently being provided by GFL, is provided by and paid for by the Town at no additional cost to citizens.

Beginning on April 16, 2026, some residents may begin receiving new collection cans from NDGS. These cans will be delivered with instructions and updated information on pickup dates and times. These cans should be used by residents beginning May 1st with the first pickup scheduled for May 4th. Residents should continue to use cans provided by GFL until their regularly scheduled pickup day the week of April 27th.

GFL will begin collecting their cans following the last scheduled service at each individual address.

Citizens may visit <https://ndgarbage.com/site/> for information and a link to the NDGS Facebook page.

You may also call Town Hall at 336-764-5455.
